4 × 3 = 12

Discipline is the necessity of life. A man without discipline can achieve nothing worth-while in life. Discipline is a very important condition of progress, stability and strength. Discipline is necessary in every walk of human life. Without discipline there will be disorder and lawlessness. In a civilized society we cannot live without having some regard for the welfare of others. Respect for authority is the basis of

discipline. Children must obey their parents. In schools and colleges there must be discipline. Otherwise education will suffer. We find evidence of discipline all around us, even in the world of nature and the world of animals. Discipline costs nothing but it wins a lot. Discipline helps us to safeguard our interests and retains us from misusing our liberty.

Questions : BiharPaper.com

- i) What must we have if we want to achieve something in life ?
- ii) What will the condition of the world be if there is no discipline ?
- iii) Where should society begin to inculcate discipline among its citizens ?
- iv) Mention two important factors for having a disciplined society.

The Kaurava's maternal uncle, Shakuni was adept at gambling which was very popular in those days in the society of big people. Duryodhana invited Yudhishtira to play the game. The latter being a pure hearted and simple person was quite inexperienced in it. Dice after dice was cast with the result that Yudhishtira lost his entire kingdom and his wife Draupadi as well. At this the evil hearted Duhshashana, a younger brother of Duryodhana, dragged her to the assembly hall and began to pull off her sari in the presence of

her husbands and the large number of courtiers. At this hour of peril Draupadi closed her eyes and stood praying to Lord Krishna with folded hands to protect her modesty. Lord Krishna at once came to her rescue. Duhshashana went on pulling off the sari for hours and still he was not able to come to the end of Draupadi's sari.
